

MVP

Most Valuable Point

Topic: _____

What is the MVP (most valuable point) about your topic? Write that in the center of the page. Next, fill in the ovals with some VIPs (very interesting points) about the topic.

The diagram consists of a central rectangular box and five surrounding ovals. The central box is labeled "MVP" in a large font, with "Most Valuable Point" written below it in a smaller font. The five ovals are arranged around the box: two at the top, one on the left, one on the right, and two at the bottom. Each oval is labeled "VIP" in a large font at its top. The boxes are empty, intended for the user to write their answers.
